ETHICAL TRADING POLICY

ENGINEERED SYSTEMS (ELECTRICAL) LTD understands that Ethical Trading means we look beyond strictly economic objectives and minimum legal requirements and consider the wider implications of our business decisions.

We also take into account our supply chains ethical trading policies as well as our own.

ENGINEERED SYSTEMS (ELECTRICAL) LTD is committed to monitoring social standards in our supply chain, and we encourage our suppliers to operate the same ethical standard we employ ourselves.

We believe strongly in ethical principles and good stewardship and as such we consider the following ethical trading criteria:

- Working conditions are safe and hygienic.
- Child labour or exploitation is not used.
- Fair wages which are comparable to industry standard and always exceed the minimum wage.
- No deductions from wages as a disciplinary measure.
- Our working hours are not excessive.
- No discrimination is practiced.
- No harsh, cruel or degrading treatment or practices are allowed.
- No bribery, corruption, blackmailing or bullying is permitted.
- Third Party Suppliers and buyers are both free to sell and buy from any number of other businesses. No restrictions, as a way of guaranteeing business, are allowed.
- All employment is freely chosen.

ENGINEERED SYSTEMS (ELECTRICAL) LTD is committed to demonstrating its ethical and social responsibility credentials to enable customers to make informed choices about whose services they purchase.
